## COMMERCIAL

Canbian Inc. was the successful contractor to be awarded the Glenridding Commercial project. This project is a two storey commercial building, main floor is 21,317 SF, second floor is 14,614 SF. The building's structure is comprised of a structural steel skeleton with metal roof deck and steel stud walls. Exterior finishes include masonry, EIFS, and metal cladding. Roofing is a mix of SBS roofing for the second floor patio areas and EPDM roofing for the remainder. Anticipated completion is scheduled for October 2020.
