Canbian joined the project after preliminary design by the, owner selected, architect. Canbian arranged and coordinated the remaining consultants, structural, mechanical, electrical, civil and landscape to complete the team. This prestigious building, in the Windermere Gate Innovation Zone, is a two storey health services, professional shops structure, totaling 26,600 square feet. There are ten main floor and 6 second floor condominium units. The exterior finish will be three colour, insulated metal panels with 60% glazing and cultured stone accents. Completion is scheduled for summer 2016.
